North Devon Link Road (NDLR)
(Portmore to Borners Bridge)

THANK YOU !

Alun Griffiths Construction would like to thank the residents and businesses of Landkey, Filleigh Swimbridge and surrounding villages for their continued patience during our works on the North Devon Link Road project.

It has been a busy few months recently and we have experienced high levels of wide loads carrying caravans ahead of the holiday season. The diversion route operated efficiently thanks to the many residents and businesses who complied with our request over parking.

We apologise for any inconvenience caused and ask you to continue to work with us so we can make this procedure work throughout the period it takes to complete this section of work along the A361. Thank you.

The Public Liaison Officer for the NDLR is Lynda Sudlow of Griffiths. She can be contacted:
